Dear Shareholder

Annual Report and Accounts

We previously wrote to all shareholders who had elected to receive shareholder documents by post to ask for agreement for the Company to supply such documents via its website. We write to all new shareholders annually with a similar request. For shareholders who have not responded to those letters a printed copy of the Annual Report and Accounts is not enclosed but is available on our website at www.cobhaminvestors.com, by clicking on the 'Annual Report and Accounts 2014' icon on the front page.

Shareholders who have not received a printed copy of the Annual Report and Accounts but who wish to receive one should contact the Company's registrars, Equiniti Limited, by writing to them at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, UK or by telephoning them on 0871 384 2163 (calls to this number are charged at 8 pence per minute plus network extras) or on +44 (0)121 415 7047.

Notice of Annual General Meeting

You will find set out on pages 4 and 5 of this document, Notice of the Annual General Meeting (AGM) to be held at 10.00am on Thursday 23 April 2015 at the offices of Allen & Overy LLP, One Bishops Square, London E1 6AD. The purpose of this document is to explain certain business to be transacted at the meeting.

Approval of the Directors' Remuneration Report (resolution 2)

In accordance with section 439 of the Companies Act 2006 (CA2006), shareholders are requested to approve the Directors' Remuneration Report set out on pages 56 to 64 of the Annual Report and Accounts 2014. The vote is advisory and the Directors' entitlement to remuneration is not conditional on it.

Re-election of Directors (resolutions 4 to 13)

In accordance with the UK Corporate Governance Code, all Directors currently in office will retire and those wishing to serve again over the coming year will seek election or re-election at the AGM.

Birgit Nørgaard and Alan Semple, who were appointed to the Board in April 2014 and February 2015 respectively, are seeking election by shareholders at the AGM for the first time. All other Directors are seeking re-election. Biographical information relating to all members of the Board is contained in Appendix 1 to this document.

The Board, on the recommendation of the Nomination Committee, supports the elections of Birgit Nørgaard and Alan Semple, who have not previously been the subject of a vote by shareholders, as the Board believes that their considerable experience, as described in their biographies in Appendix 1, will be of great benefit to the Board and the Company. Birgit brings additional Continental European experience, where we now have significant operations. Alongside this, she brings skill and experience in a number of international commercial and engineering markets. Alan has a successful track record of financial leadership in an engineering environment and brings further strength to the Audit Committee.

I further confirm that, following performance evaluations, all Directors seeking re-election continue to be effective members of the Board and to demonstrate commitment to their respective executive or non-executive roles. In accordance with the UK Corporate Governance Code, the Board takes into account the need for progressive refreshing of the Board, and all Non-executive Directors who have served on the Board for six years, or more (currently Mark Ronald and Mike Hagee), undergo a particularly rigorous performance review.

Approval of the Cobham Share Incentive Plan (resolution 16)

Shareholders are requested to approve Cobham's Share Incentive Plan (SIP). A summary of the principal terms of the SIP is included in Appendix 2 to this document. The draft rules will be available for inspection as described in note 18 to the Notice of AGM, on page 7 of this document. The SIP replaces the Company's existing Share Incentive Plan, under which no further awards may be granted.

Authority to purchase own shares (resolution 17)

At the AGM held in 2014, shareholders authorised the Directors by special resolution, in accordance with the CA2006, to purchase ordinary shares in the market. In accordance with the Directors' current intention to seek annual renewal of this authority, resolution 17 is a special resolution to authorise the Directors to purchase ordinary shares in the market without the prior consent of shareholders for a period expiring on 1 July 2016 or, if earlier, at the conclusion of the Company's AGM in 2016.

The Directors will only exercise the power given by the resolution if they are satisfied that any purchase will increase the earnings per share of the ordinary share capital in issue after the purchase and, accordingly, that the purchase is in the interests of shareholders. They will also give careful consideration to gearing levels of the Company and its general financial position and will use distributable profits to meet the cost of any purchase.

The maximum number of ordinary shares which may be purchased under the proposed authority is 113,857,590, representing approximately 10% of the issued ordinary share capital of the Company (excluding treasury shares) at 4 March 2015 (being the latest practicable date prior to publication of this document). The price paid for shares will not be less than their nominal value nor more than the higher of 5% above the average of the middle market quotations of the ordinary shares as derived from the London Stock Exchange Daily Official List for the five business days preceding the day on which the shares are purchased and the amount stipulated by Article 5(1) of the Buy-back and Stabilisation Regulation 2003.

The total number of options to subscribe for ordinary shares that were outstanding at 4 March 2015 (being the latest practicable date prior to publication of this document) was 15,132,333. The proportion of issued share capital (excluding treasury shares) that they represented at that time was 1.33% and the proportion of issued share capital (excluding treasury shares) that they will represent if the full authority to purchase shares (existing and being sought) is used is 1.48%.

The CA2006 permits certain listed companies to hold shares in treasury, as an alternative to cancelling them, following a purchase of own shares by the company in accordance with the CA2006. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy share options and share awards under employees' share schemes.

Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings, in respect of the shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of any treasury shares.

If the Directors exercise the authority conferred by resolution 17, they may consider holding these shares in treasury rather than cancelling them. The Directors believe this would provide the Company with greater flexibility in the management of its share capital. The Directors would also consider using treasury shares to satisfy awards under the Company's employee share schemes.

The Company has not used the authority approved in 2014.

Resolution 17 will be proposed as a special resolution.

Authority to allot shares and grant rights (resolution 18)

At the AGM held in April 2014, shareholders authorised the Directors, under section 551 of the CA2006, to allot ordinary shares or grant rights to subscribe for, or convert any security into, shares in the Company without the prior consent of shareholders for a period expiring at the conclusion of the AGM to be held in 2015 or, if earlier, on 1 July 2015. It is proposed to renew this authority and to authorise the Directors under section 551 of the CA2006 to allot ordinary shares or grant rights to subscribe for or convert any security into shares in the Company for a period expiring no later than 1 July 2016.

Paragraph (a)(i) of resolution 18 will allow the Directors to allot ordinary shares up to a maximum nominal amount of £9,487,184 representing approximately one third (33.33%) of the Company's existing issued ordinary share capital (excluding treasury shares) and calculated as at 4 March 2015 (being the latest practicable date prior to publication of this document). In accordance with institutional guidelines issued by The Investment Association, paragraph (a)(ii) of resolution 18 will allow Directors to allot, including the ordinary shares referred to in paragraph (a)(i) of resolution 18, more of the Company's ordinary shares in connection with a pre-emptive offer by way of a rights issue to ordinary shareholders up to a maximum nominal amount of £18,977,214, representing approximately two thirds (66.67%) of the Company's existing issued ordinary share capital (excluding treasury shares) and calculated as at 4 March 2015 (being the latest practicable date prior to publication of this document). The Directors have no present intention of exercising this authority. However, if they do exercise the authority, the Directors intend to follow best practice as regards its use, as recommended by The Investment Association.

As at 4 March 2015, the Company held 75,951,724 Ordinary Shares in treasury, which represents approximately 6.3% of the total ordinary share capital in issue at 4 March 2015 (being the latest practicable date prior to publication of this document).

Resolution 18 will be proposed as an ordinary resolution to renew this authority until the conclusion of the next AGM or, if earlier, the close of business on 1 July 2016.

Allotment of equity securities for cash (resolution 19)

Also at last year's AGM, a special resolution was passed, under sections 570 and 573 of the CA2006, empowering the Directors to allot equity securities for cash without first being required to offer such shares to existing shareholders. It is proposed that this authority also be renewed. If approved, the resolution will authorise the Directors to issue shares in connection with a rights issue or other pre-emptive offer and otherwise to issue shares for cash up to a maximum nominal amount of £1,518,160 which includes the sale on a non pre-emptive basis of any shares the Company may hold in treasury for cash. The maximum nominal amount of equity securities to which this authority relates represents approximately 5% of the issued ordinary share capital of the Company as at 4 March 2015 (being the latest practicable date prior to publication of this document).

The Directors do not intend to issue more than 7.5% of the issued share capital of the Company for cash on a non pre-emptive basis in any rolling three year period without prior consultation with the shareholders and The Investment Association and the National Association of Pension Funds.

Resolution 19 will be proposed as a special resolution to renew this authority until the conclusion of the next AGM or, if earlier, the close of business on 1 July 2016.

Notice of general meetings (resolution 20)

The notice period required by the CA2006 for general meetings of the Company is 21 days unless shareholders approve a shorter notice period, which cannot be less than 14 working days (AGMs must always be held on at least 21 working days' notice). At last year's AGM, shareholders authorised the calling of general meetings, other than an AGM, on not less than 14 clear days' notice and it is proposed that this authority be renewed. The authority granted by this resolution, if passed, will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed. Note that in order to be able to call a general meeting on less than 21 working days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

The flexibility offered by this resolution will be used where, taking into account the circumstances, and noting the recommendations of the 2014 UK Corporate Governance Code, with which the Company would intend to comply, the Directors consider this appropriate in relation to the business of the meeting and in the interests of the Company and the shareholders as a whole.

Resolution 20 will be proposed as a special resolution to approve 14 working days as the minimum period of notice for all general meetings of the Company other than AGMs.

Action to be taken

Even if you are unable to attend the AGM your vote is important. In the case of shareholders receiving this document in hard copy, a proxy form in connection with the AGM is enclosed for your use. Please complete the form in accordance with the instructions and return it to Equiniti Limited, to arrive by no later than 10.00am on Tuesday 21 April 2015.

If you prefer, you can register the appointment of your proxy electronically by following the instructions in notes 7 and 8 to the Notice of the AGM on page 6 of this document.

Submission of a proxy will not prevent you from attending and voting at the meeting should you wish to do so.

Recommendation

Your Directors believe that the proposals referred to in this document are in the best interests of the Company and its shareholders as a whole and recommend that you vote in favour of the resolutions to be proposed at the AGM, as they propose to do in respect of their own shareholdings.

Yours sincerely

John Devaney
Chairman

The following notes explain your general rights as a shareholder and your rights to attend and vote at the AGM or to appoint someone else to vote on your behalf.

1. A copy of this Notice, and other information required by section 311A of the Companies Act 2006, can be found on the Company's website **www.cobham.com**.
2. Only those persons entered on the Register of Members of the Company (the Register) as at 6.00pm on 21 April 2015 (the Specified Time) shall be entitled to attend or vote at the AGM (either in person or by proxy) in respect of the number of shares in the capital of the Company registered in their names at that time. Changes to entries on the Register for certificated or uncertificated shares of the Company after the Specified Time shall be disregarded in determining the rights of any person to attend or vote at the AGM.

Should the AGM be adjourned to a time not more than 48 hours after the Specified Time, that time will also apply for the purpose of determining the entitlement of members to attend and vote (and for the purpose of determining the number of votes they may cast) at the adjourned AGM. Should the AGM be adjourned for a longer period, to be so entitled members must have been entered on the Register by 6.00pm two days prior to the adjourned AGM or, if the Company gives notice of the adjourned AGM, at the time specified in such notice.
3. Any member of the Company who is unable or does not wish to attend the AGM is entitled to appoint one or more proxies to exercise all or any of his rights to attend and to speak and vote on his behalf at the meeting. A proxy need not be a member of the Company but must attend the meeting for the member's vote to be counted. Appointing a proxy does not prevent a member from attending and voting in person if he is entitled to do so and so wishes.
4. A Form of Proxy for use by members in connection with the AGM will be posted to all members who appeared on the Register of Members at the close of business on 4 March 2015. Proxies may be appointed by completing a Form of Proxy and returning it in accordance with note 6 below. (Details of how to appoint a proxy are set out in the notes to the Form of Proxy.) As an alternative to completing a hard copy Form of Proxy, proxies may be appointed electronically in accordance with note 7 below. CREST members may appoint proxies using the CREST electronic proxy appointment service (see note 8 below).
5. A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attaching to a different share or shares held by the member. To do this a member must complete a separate Form of Proxy for each proxy or, if appointing multiple proxies electronically, follow the instructions given on the relevant electronic facility (see notes 7 and 8 below). Members can copy their original Form of Proxy, or additional Forms of Proxy can be obtained from Equiniti Limited on 0871 384 2163 (calls to this number are charged at 8 pence per minute plus network extras) or +44 (0) 121 415 7047. Lines are open from 8.30am to 5.30pm, Monday to Friday, excluding bank holidays. A member appointing more than one proxy should indicate on the relevant Forms of Proxy the number of shares for which each proxy is authorised to act on his or her behalf.

6. To be valid any Form of Proxy must be received by hand or by post at Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, not less than 48 hours before the time of the AGM or any adjournment thereof. The deadline for receipt of proxy appointments also applies in relation to amended instructions. Any power of attorney or any other authority under which the Form of Proxy is signed (or a certified copy of such authority) must be included with the Form of Proxy. A member must inform the Company's registrars in writing of any termination of the authority of a proxy.
7. As an alternative to completing a hard copy Form of Proxy, a member can appoint a proxy electronically by visiting **www.sharevote.co.uk**. You will need your Voting I.D., Task I.D. and Shareholder Reference Number (this is the series of numbers printed under your name on the Form of Proxy). Full instructions are given on the website. The proxy appointment and instructions should reach Equiniti Limited not less than 48 hours before the time appointed for the holding of the AGM or any adjournment thereof. You are advised to read the terms and conditions of use carefully. Any electronic communication found to contain a computer virus will not be accepted.
8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by using the procedures described in the CREST Manual (available via **www.euroclear.com**). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

For a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with CREST specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in the Notice of Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

9. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
10. Any or all joint holders of shares may attend the AGM, although only one holder may vote in person or by proxy. In the case of joint holders, where more than one of the joint holders purports to vote or to appoint a proxy, only the vote or appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first-named being the most senior).
11. If two or more valid but differing appointments of a proxy are received in respect of the same share for use at the same meeting, the one which is last received (regardless of its date or the date of its signature) shall be treated as replacing and revoking the others as regards that share; if the Company is unable to determine which was last received, none of them shall be treated as valid in respect of that share.
12. A member of the Company which is a corporation can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
13. Any person to whom this Notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a Nominated Person) may, under an agreement between him or her and the member by whom he or she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such right or does not wish to exercise it, he or she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statement of the rights of members in relation to the appointment of proxies in notes 3 to 7 above does not apply to Nominated Persons. The rights described in those notes can only be exercised by members of the Company. Nominated Persons are reminded that they should contact the registered holder of their shares (and not the Company) in matters relating to the investment of their shares.
14. Voting on all resolutions will be conducted by way of a poll rather than a show of hands. This is a more transparent method of voting as member votes are to be counted according to the number of shares held. As soon as practicable following the AGM, the results of the voting at the meeting and the numbers of all votes cast for and against and the number of votes actively withheld in respect of each of the resolutions will be announced via a Regulatory Information Service and also placed on the Company's website www.cobham.com.
15. Members satisfying the thresholds in section 527 of the Companies Act 2006 can require the Company to publish a statement on its website setting out any matter relating to (a) the audit of the Company's accounts (including the Auditor's report and the conduct of the audit) that are to be laid before the AGM; or (b) any circumstances connected with an Auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company cannot require the members requesting such website publication to pay its expenses in complying with section 527 or 528 of the Companies Act 2006. Any statement placed on the website must also be sent to the Company's Auditor no later than the time it makes its statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required, under section 527 of the Companies Act 2006, to publish on its website.
16. A member attending the meeting has the right to ask questions. Pursuant to section 319A of the Companies Act 2006, the Company must cause to be answered at the AGM any question relating to the business being dealt with at the AGM but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
17. As at 4 March 2015 (being the latest practicable date prior to the publication of this Notice), the Company's issued share capital consists of 1,214,527,625 ordinary shares of 2.5 pence nominal value, with 75,951,724 shares held as treasury shares (representing 6.3% of the total ordinary share capital in issue as at 4 March 2015), and 19,700 Preference Shares of £1 nominal value. Treasury shares retain no voting rights. On a poll, there is one vote for every £1 in nominal value of shares. Therefore, the total number of voting rights in the Company as at 4 March 2015 is 28,484,098.
18. The following documents are available for inspection during normal business hours on Monday to Friday (public holidays excepted) at the registered office of the Company and will also be available at the place of the AGM on the morning of the AGM from 15 minutes prior to the meeting until the conclusion of the meeting:
 - (i) copies of the Executive Directors' service contracts;
 - (ii) copies of the terms of appointment of Non-executive Directors;
 - (iii) copy of the draft rules of the Cobham Share Incentive Plan (SIP) rules.

APPENDIX 2 – Summary of SIP rules

Principal Terms of the Cobham Share Incentive Plan (SIP)

1 Eligibility

All employees of the Company and any participating company who are UK resident taxpayers will be eligible and must be invited to participate in the SIP, provided they have been employed for a qualifying period determined by the Board which may not exceed 18 months. An employee will not be eligible to participate if, in any tax year, the employee participates at the same time in another tax-advantaged Company or connected company share incentive plan.

The SIP is operated at the discretion of the board of the Company, or any duly authorised committee of the Board.

2 How the SIP may be operated

The Board can operate the SIP in a number of ways. It can:

- make an award of free shares; and/or
- give employees the opportunity to acquire partnership shares; and
- make an award of matching shares to those employees who acquire partnership shares (free shares, partnership shares and matching shares – together, Plan Shares); and/or
- require or allow employees to re-invest dividends paid on their Plan Shares in further shares (dividend shares).

The SIP operates through a trust, which will acquire shares by purchase or subscription and will hold the shares on behalf of employees.

3 Limits on the issue of shares

The number of shares which may be issued (including any treasury shares which may be transferred) to the trustee under the SIP on any day must not, when added to the aggregate of the number of shares which have been allocated in the previous ten years under the SIP and any other employee share plan operated by the Company, exceed 10 per cent of the ordinary share capital of the Company in issue at that time. For the purposes of these limits, no account shall be taken of any shares where the option, award or other contractual right to acquire shares was released or lapsed without being exercised. Any shares acquired by market purchase by, or for the purpose of, an employee share scheme operated by the Company will not be “allocated” for this purpose.

4 Free Shares

The SIP provides that each participant may be awarded shares worth up to the statutory maximum (currently £3,600) each year. The allocation can be based on the achievement of individual, team, divisional or corporate performance targets which must be notified to all employees (**Free Shares**). Otherwise, Free Shares must be awarded to employees on the same terms, although awards can vary by reference to remuneration, length of service or hours worked. Free Shares must be held in trust for the period specified by the Board of between three and five years. If a participant ceases employment within three years from the award day, the Free Shares will cease to be subject to the SIP and may be forfeited as determined by the Board.

5 Partnership Shares

Participants may be offered the opportunity to purchase shares out of pre-tax salary contributions up to the maximum set by the legislation (currently £1,800, or 10 per cent. of salary if less) (**Partnership Shares**). The Company may set a minimum monthly deduction from an employee's salary which may not be greater than £10. The Partnership Shares may be acquired immediately or the salary contributions accumulated for any period of up to 12 months before they are used to buy Partnership Shares. The Board can scale down applications for Partnership Shares relative to any limit on the number which may be acquired and the contribution limits prescribed in any application.

Partnership Shares can be withdrawn from the SIP by the participant at any time and are not subject to forfeiture provisions.

6 Matching Shares

Where participants acquire Partnership Shares, they may be awarded further shares by the Company on a matching basis, up to a current statutory maximum of two matching shares for each Partnership Share (**Matching Shares**). The award of Matching Shares cannot be subject to performance targets. Matching Shares which will be of the same class and carry the same rights as Partnership Shares. Each award of Matching Shares will be subject to a holding period of not less than three years nor more than five years (or such other periods required by the relevant legislation from time to time), beginning with the award date and which will be the same for all participants who receive an award at the same time. If a participant ceases employment or a participant withdraws their corresponding Partnership Shares within three years of purchase or such other forfeiture period as determined by the Board, the Matching Shares will cease to be subject to the SIP and may be forfeited.

7 Dividend Shares

The Board may determine that some or all of the cash dividends paid in respect of SIP shares will be re-invested in the purchase of additional shares (**Dividend Shares**). Dividend Shares must be subject to a three year holding period, but are not subject to forfeiture. The Board may impose a limit on the amount of dividends which may be reinvested to be held on behalf of any participant, although there is no statutory maximum. To the extent that the cash dividends exceed any limit imposed, the trustee must pay over cash dividends to the relevant participant as soon as practicable.

8 Offers

The participant may direct the trustee on the appropriate action to take in relation to any right relating to a participant's SIP shares to receive other shares, securities or rights of any description, or an offer of cash, or to agree to a transaction pursuant to a compromise, arrangement or scheme in relation to a reconstruction or takeover.

9 Rights attaching to shares

All shares acquired under the SIP will rank equally in all respects with shares then in issue except for any rights attaching to the shares by reference to a record date before the date of acquisition.

If required to do so by the Company, the trustee will invite participants to direct it how to exercise the voting rights attributable to the shares held on their behalf, and will not exercise those rights other than on the participants' instructions.

Benefits received by participants under the SIP are not pensionable.

10 Leavers

In general, and subject to any applicable forfeiture provisions, if a participant ceases employment with the Company or any associated company, the participant's shares will cease to be subject to the SIP.

Participants will not be liable to income tax or National Insurance Contributions on their shares ceasing to be subject to the plan on leaving employment on account of injury or disability, redundancy, by reason of a transfer to which the Transfer of Undertakings (Protection of Employment) Regulations 2006 applies, the company by which the participant is employed ceasing to be an associated company of the Company, retirement or the participant's death.

11 Alterations

The Board, together with the trustee, may at any time amend the SIP. However, any amendments to the advantage of participants in relation to (i) the persons to whom, or for whom, shares may be acquired under the SIP; (ii) the limit on the number of shares which may be issued; (iii) the maximum entitlement for each participant and the basis for determining a participant's entitlement to shares; (iv) the basis of any adjustment if there is a capitalisation or rights issue, an open offer, a sub-division, consolidation or reduction or any other variation of share capital, must be approved in advance by shareholders in a general meeting, unless the alteration or addition is minor in nature and is to the benefit of the administration of the SIP; to take account of a change in legislation; or to obtain or maintain favourable tax, exchange control or regulatory treatment for participants, the Company, the trustees or any subsidiary.

12 Termination

The Company may resolve to terminate the SIP at any time. On termination, the trustee must remove each participant's shares from the SIP and transfer the shares or distribute the proceeds of their sale to the participants as soon as practicable.

13 Other

The rules of the SIP will be available for inspection in accordance with the arrangements set out in paragraph 18 of the AGM notice.
